

VAN LOVEREN

WINES OF DISTINCTION

On the beautiful country road between Robertson and Bonnievale in the Breede River Valley (160km from Cape Town) lie the Van Loveren farms. Their borders are lined by bright red cannas which are ablaze with colour for eight months of the year. The white cellar with its characteristic four modern gables is in stark contrast with the green vineyards and the red of the cannas.

Visitors are welcome for tasting and sales, with a range of 25 wines to choose from or just to enjoy the renowned garden surrounding the cellar.
