FAMILY VINEYARDS

SUNNINGHILL DRY RED

CELLAR MASTER'S NOTES:

This Ruby Cabernet and Pinotage blend has pleasing aromas of spicy wood, rich plum and berry fruit, with a lingering aftertaste.

STYLE:

A beautiful fruity and light red wine

CULTIVAR:

Ruby Cabernet and Pinotage

HARVESTING:

Grapes are harvested at optimal ripeness.

VINIFICATION:

Pinotage is South Africa's unique grape variety, with characteristics of very deep colour and an intense fruitiness. Ruby Cabernet adds velvety intensity to the wine. These are of the country's most versatile varieties, capable of attractive wines across the spectrum of Rose, unwooded juicy everyday table wines as well as expensively-oaked fine wines. A variety of oak barrels were used and while the tannins are well integrated, giving immediate smooth drinkability, the wine has good ageing potential. A wine with personality.
