Deep coral pink colour, packed with delicious sweet berry flavours.

CULTIVAR:

Red Muscadel Grapes

HARVESTING:

The Red Muscadel grapes are harvested in the earlier hours of the day to prevent losing the delicate flavours.

VINIFICATION:

Harvested early at 18 degrees balling, the cultivars were cold fermented. Minimal intervention in the natural process of vinification, allowing the cultivars to express their individual characteristics and the soils of their origin.
